

## Declaration of Conformity

### EC Low Voltage Directive 2006/95/EC Declaration of Conformity

We, hereby declare and under our sole responsibility certify that the equipment specified below is in conformity with the test requirements of the following standards:

EN 61439-1  
EN 62368-1:2014  
EN 61000-6-1:2007  
EN 55015:2006+A2:2009  
BS7671, BS7909

And on this basis, complies with all the relevant provisions of the EC Low Voltage Directive 2006/95/EC and the National Laws and Regulations adopting this directive.

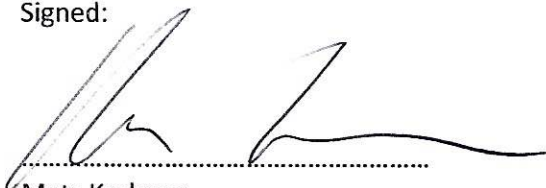

Modifications to this equipment without prior written approval from the manufacturer will render the declaration null and void.

Product type: StageSmarts C12, C24 and C-Quad 64 (all variants)

Product description: Portable electrical distribution for industrial usage.

In conformity with the provisions of the following EEC Directives: 2004/108/CE

Signed:

Mats Karlsson  
Managing Director, Stage Smarts AB
